

Comments from the Chief

The Warren Police Department hopes everyone had a happy and safe summer.

With fall sports and school in session, please take care and give yourself a little extra time driving. With football games now at Meridian Park, there will be more children/adults walking from their cars, homes, etc. to the football field. Please remember there are stop signs on Clinton Street. Just a couple of minutes could be the difference between a life or injury/death. Please drive with caution and watch for pedestrians and other vehicles. Remember: It is **ILLEGAL** to pass a stopped school bus with its red lights flashing and the stop arm out.

If you have any concerns, **you may reach me at (815) 745-2418 Monday through Friday.** We have officers working at night and on the weekends. If they are not in the office, please leave a message and they will contact you. If you need an officer for a Non-Emergency, please call (815) 745-2218. If you have an **EMERGENCY**, please call 911.

The full-time officers for the department are Chief Bryan Bohnsack, Sgt. Aaron Smith and Patrolman Andrew Gray. We also have 10 part-time officers and 1 civilian in the department.
